

Peak Handrail

- Mounted on a continuous ring with the post spacing pre-determined
- Ring mount foot acts as a built in kickboard
- 1 ½" tube handrail with smashed ends make for a secure and stable grip
- Installs in ¼ of the time as the Original, making the Easy Step Peak Handrail the most economical Peak Safety kit we offer

Easy Step Peak Handrail

- Mounts directly to the top of the roof rib, which eliminates rib interference
- One entry section designed to receive the Easy Step Roof Ladder Handrail or Easy Step Roof Stairs come standard, multiple entries can be added
- Offered in 4 sizes, ranging from 7' - 13' to allow user to walk on Peak Safety rungs around the fill hole
